## EXPERIENCE

### FREELANCE EDITOR

Present (2023-2025)

- Completed 10+ editing projects for various clients through the Freelancer platform.
- Specialized in content editing, proofreading, and formatting for documents and written materials.
- Ensured high-quality deliverables and maintained consistent client satisfaction.
- Managed communications, deadlines, and revisions independently.

### PERSONAL INFORMATION MANAGEMENT SYSTEM (2024-2025)

- Designed and developed a desktop/mobile application to securely store personal information such as PAN number, Aadhar number, and bank account details.
- Implemented secure data handling and basic encryption to ensure user data protection.
- Developed using technologies like Java, SQLite, and Swing (or update with the actual tech stack you used).
- Focused on user-friendly interface, input validation, and data accuracy.
- Demonstrated the project as part of academic evaluation with successful results and positive feedback.

## ACHIEVEMENTS

- Represented my district in cricket tournaments at inter-district level.
- Served as the Captain of the School Cricket Team, leading the team to multiple wins.
- Participated in the District Volleyball Tournament as part of the school team.
- Secured 1st Prize in Inter-College Hackathon, showcasing innovation and teamwork.
- Won a Cash Prize in IoT Event conducted by Lift India for creative IoT project development.
